

*Zeta Tau Alpha's
Think Pink Cheer Invitational
Concessions Donation Form*

Sponsored by the University of Washington Collegiate and Alumnae Chapters of
ZETA TAU ALPHA
Saturday, December 5, 2009 Shoreline Community College

Dear Cheer Classic Supporters,

One out of eight women will develop breast cancer in her lifetime. While to date there is no cure, Zeta Tau Alpha Fraternity for women is committed to fighting this disease with the best weapon we have; educating women on early detection. To help in the fight against breast cancer, the women of Zeta Tau Alpha in Seattle have created an event called the Think Pink Cheer Invitational. Cheerleading squads perform a routine dedicated to the women they know who have survived breast cancer or live on in their memory. Great events like this have enabled the sisters of Zeta Tau Alpha to donate over \$400,000 to the Zeta Tau Alpha Foundation, which continuously supports breast cancer education and awareness. We are taking great strides in making this event an even bigger success this year and we are asking for your support to help reach our goals.

We are seeking local support in our concession stand which not only is visited by our participants and spectators throughout the day, and will be an instrumental part in allowing us to raise funds for our philanthropy throughout our event. This is a great opportunity for local businesses to be involved with our event and it is great advertising for the business.

Our deadline for commitment from our sponsors is November 21st. If you are interesting in donating, please feel free to contact our concessions coordinator at the information listed below and we will be happy to work with you!

Without the local community's donations, the Think Pink Cheer Invitational would be impossible. This is not only a great advertisement for your business, but a generous contribution to those families who have been affected by breast cancer. Thank you in advance for your generosity.
